Attached below the disc, a Yellow scroll edged with a narrow Black border and inscribed "IN PURSUIT OF EXCELLENCE" in Black letters. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The dollar sign symbolizes the unit's involvement in the wing's operational budget and financial management expertise in providing military pay support to Air Force personnel. The flight symbols represent the Squadron's core values of integrity, selflessness and sacrifice. The two in pale denote formation and the unit's striving toward its values. The one in sinister reflects the ability to leave the formation to achieve individual excellence. The globe suspended from a parachute suggests the Squadron's support to the tactical airlift mission of its parent organization.
