EMBLEM

On a blue disc edged with a narrow black border fimbriated white two yellow arms horizontally issuing from each side of the disc with hands clasped, detailed black a white globe with axis vertical, gridlined blue surmounted by a gray five-pointed star between two gray wings detailed black, one to dexter and one to sinister. Attached above the disc a white scroll edged black and inscribed "WORLDWIDE SUPPORT" in black letters. Attached below the disc a blank white scroll edged black. (Approved, 14 Jul 1980)

MOTTO

OPERATIONS

The 314th Supply Squadron greeted a new vehicle with enthusiasm in early July. A new R-11 aircraft refueling truck, the first delivered to the base, replaced the aging R-9 vehicles. The R-11's have a capacity of 6,000 gallons and can pump 600 gallons of fuel per minute. These trucks can also unload fuel from an aircraft at 175 gallons per minute.
