

762 COMBAT SUSTAINMENT GROUP

MISSION

Provides Materiel Support for our nation's war fighters and allies. The group serves the Center's Weapon Systems Managers by being the focal point for all matters concerning supply chain management business activities, logistics transformation initiatives, support equipment requirements, allowances and applicable budgets, and logistics data and system support. Provides policy, guidance, and support for major activities that include logistics management systems, equipment and stock fund item buy and repair requirements, FMS, contract depot maintenance, career management for the SCM workforce, and reproduction and distribution of technical data for WR-ALC managed items.
