

1 AIR LOGISTICS CENTER AUGMENTATION SQUADRON

MISSION

1 Air Logistics Center Augmentation Squadron was an off-site reserve unit that served as the core of a reconstitution team in the event of nuclear war or natural disaster. Squadron had 30 officers and 40 enlisted personnel representing the major functions of the Air Logistics Center: maintenance, logistics, security police, plans, and administration.

OPERATIONS

In September three units of the wing at Robins AFB, GA were programmed for inactivation effective 1 October 1978. They were the 34 Supply Squadron (Mobile), 34 Maintenance Squadron (Mobile) and the 1st ALC Augmentation Squadron. The missions were consolidated into a new U.S. Air Force controlled Reserve unit designated as the 402 Combat Logistics Support Squadron effective 1 October 1978.
