OPERATIONS

01 Nov 55-Grenier AFB assigned to 1st Air Force (AF), Continental Air Command (CONAC). The 2235th Air Reserve Flying Center was activated at Grenier to oversee control of the air base and its tenant units. Lt. Col. Robert A Carter commanded the 2235th.

01 Oct 58-The 2235th Air Base Squadron took command of Grenier AFB. This coincided with the introduction of Air Reserve Technician (ART) program throughout AFR. ART program enabled a staff of civil service employees to operate AFR units during the week who would become training cadre for reservists during monthly Unit Training Assemblies (UTA). Manning this unit were 30 officers, 147 enlisted men(EM), 1 warrant officer, and 319 civilians. A single C-47 transport was assigned to the 2235th.

19 Mar 59-The 2235th ARFC, commanded by LTC Robert A. Carter, was inactivated. With this, the C-119 aircraft on base were officially turned over to the 732nd Aircraft Maintenance Section.
