

## 37 LOGISTICS READINESS SQUADRON

### MISSION

Members of the 37 LRS provide essential logistics services to Lackland's five wings and over 70 associated units and population of 45,000. Working with a \$21 million budget, they provide overall direction for base logistics processes related to vehicle management, cargo, passenger, and personal property movement, supplies, equipment, deployment planning, operations and execution, ground and aviation fuel, Air Force initial clothing issue and munitions.

## **EMBLEM**

Azure, on a globe Vert gridlined Argent a winged seahorse of the like; all within a diminished bordure Or. Attached above the disc a Blue scroll edged with a narrow Yellow border. **SIGNIFICANCE:** Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The globe represents the worldwide outreach capabilities and mobility readiness of the unit. The winged seahorse symbolizes the squadron's function of transportation and dedication of personnel who keep things moving on land, sea, and in the air. (Approved, 12 Jan 1995)
