OPERATIONS

On 1 September 1951, U.S. authorities officially took over the construction site from the French and named it Sembach Air Auxiliary Field. In spring 1953, the base's administrative portion was completed on a hilltop, a mile north of the airfield. On 5 April 1953, the 7355th ABS was assigned as base operating unit and ten days later the installation was renamed Sembach AB.
