EMBLEM

On a white disc, red lightning bolts surmounted by a yellow missile. Below and supporting the missile is a yellow-handled screwdriver with black shank surmounted by a black off-set wrench. Above the missile is the black symbol for nuclear energy. On each side of the nuclear symbol is a green olive branch, all within a narrow black border. The lower scroll has a narrow black border with the squadron name in blue letters against a white background. Motto: The upper scroll has a narrow black border with the words SUSTAINING EXCELLENCE printed in blue against a white background. **SIGNIFICANCE:** Ultramarine blue and Air Force yellow are the Air Force colors. Blue alludes to the sky, the primary theater of Air Force operations. Yellow refers to the sun and the excellence required of Air Force personnel. The missile signifies the overall functions of the wing. The lightning bolts signify the speed and power of ballistic missile forces and strikes in any direction. The crossed screwdriver and wrench represent the squadron's association with maintenance and its supporting role. The olive branches symbolize peace. Approved: 28 September 1992.
