OPERATIONS

The 1950s also meant organizational change for Keesler. Since August 1948, the 3380th Technical Training Wing had controlled all base activities. Under it were four subordinate units: the 3380th Technical Training Group, which operated the school; the 3380th Maintenance and Supply Group; the 3380th Air Base Group; and the 3380th Medical Group. In 1955, a fifth group was added—the 3380th Installations Group. That arrangement continued until 1 January 1959, when Air Training Command redesignated the wing as

Headquarters, Keesler Technical Training Center (KTTC). At the same time, the training group was redesignated the 3380th Technical School, USAF, and all of its subordinate student squadrons were renamed school squadrons.

1 Apr 1977 Air Training Command (ATC) established the USAF Technical Training School, Keesler, and assigned it to the 3300th Technical Training Wing.

1 Jan 1978 The USAF Technical Training School, Keesler, transferred from the 3300th Technical Training Wing to Keesler Technical Training Center.

1 Nov 1979 Air Training Command designated and activated the 3300th Technical Training Wing. Air Training Command reassigned the USAF Technical Training School, Keesler, from Keesler Technical Training Center to the 3300th Technical Training Wing.
