

78 ORGANIZATIONAL MAINTENANCE SQUADRON

MISSION

The organizational maintenance squadron performs flight line maintenance on all F-101 fighter interceptors and C-119 cargo aircraft assigned or attached to the fighter wing. This entails a responsibility of insuring that sufficient aircraft are in commission at all times to meet the mission and training requirements of the 84th Fighter Interceptor Squadron. The personnel of the organizational maintenance squadron maintain a constant twenty-four hour alert in support of the round-the-clock fighter wing commitment to NORAD.
